### Description

***How to Get into Medical School in Australia* is the definitive guide on how to succeed in your application to medical school – and how to excel once there.**

'This is a thoroughly researched and well-written book that will be an invaluable resource for all people intending to apply for medical school, and also for people who are considering the possibility of a medical career. It is the most comprehensive overview to date, and provides excellent advice on how to approach decisions on which medical school to choose and on the options for support.' –*Associate Professor Ray Garrick, Consultant Neurologist, St Vincent's Hospital, Sydney*

'This is an excellent resource – compiling the necessary information on how you get into medical school in a concise and practical format.' –*Professor Gordian Fulde, Director, Emergency Department, St Vincent's Hospital, Sydney; Professor, Notre Dame University Sydney; and Associate Professor, New South Wales University*

'This is a "must-read" for anyone contemplating becoming a doctor in Australia. This profession demands a special set of skills, values and behaviours. This text is a great insight – Dr Shiraev has assembled an extraordinary set of information, advice and wisdom. A tool kit and mentor's notes combined!' –*Professor James A. Angus AO, Dean, Faculty of Medicine, Dentistry and Health Sciences, University of Melbourne*

***How to Get into Medical School in Australia*** is the definitive guide on how to succeed in your application to medical school – and how to excel once there. The book provides comprehensive detail on the admissions processes – both undergraduate and graduate – in an easy-to-digest, chronological format, to help you manage your application step by step. Featuring study tips and techniques for high school, undergraduate and medical school entry exams (UMAT and GAMSAT), information on sought-after characteristics and how to optimise them for your application, profiles of all of the medical schools in Australia, and everything you ever wanted to know about the medical school interview, 'How to Get into Medical School' is the perfect companion for any prospective medical student. The guide also contains tips on how to enjoy and excel at medical school (and beyond), including study techniques and tips to use on the wards.

### Readership

Senior high school students, as well as university students planning on a graduate entry route into medicine; careers advisers; undergraduate/graduate medical students.

### About the Author

***Dr Timothy Shiraev*** completed his Bachelor of Science (Honours) in 2007 at the University of New South Wales, and completed his Bachelor of Medicine/Bachelor of Surgery (Honours) in 2012 at the University of Notre Dame in Sydney. He has published various research articles in international peer-reviewed journals, and has received numerous scholarships and awards. He has a special interest in cardiology and vascular surgery.
