Description
A captivating look at the scandalous and sensational media stories that gripped Victorian society.

“This enthralling book shows that the Victorians revelled in political and sexual scandals, murder reports, and the antics of royalty, the upper classes and celebrities. Diamond tackles his theme with verve and skill.” —Sunday Times

Victorian Sensation sheds light on the Victorians’ fascination with celebrity culture and their obsession with gruesome and explicit reportage of murders and sex scandals. With a vivid cast of characters, ranging from the serial poisoner William Palmer, to Charles Dickens, Jumbo the Elephant, distinguished politicians and even the Queen herself, this passionate analysis of the period reveals how the reporting methods of our own popular media have their origins in the Victorian press, and shows that sensation was as integral a part of society in the nineteenth century as it is today.

Readership: A riveting and illuminating read for anyone interested in the origins of celebrity culture and the curiosities of the Victorian era.
